

Ingrid Barranco
Chief Financial Officer

Ms. Ingrid Barranco, MBA is the Chief Financial Officer of GASTech. As the senior fiscal official for this multinational corporation, Mr. Barranco has budgeting responsibility over the wide portfolio of both operational and research and development investments.

After joining GASTech in 2003, she was heavily involved with growth decisions, leading to taking the company public in 2013.

Prior to 2003, she worked in both the banking and manufacturing industries with large multi-national companies.
